

**Thornbury Township, Chester County**  
Park & Recreation Minutes  
September 8, 2011

**Present Members:** Lauren Durham, Karin Mulligan, Christy Zippi and Rita Miller.  
Township Secretary, Teresa DeStefano.

1. **Approval of Minutes** April 7, 2011

Christy Zippi made a motion to approve the April minutes and Karen Mulligan seconded the motion. All were in favor. Motion carried.

2. **Fall Festival**

Lauren Durham went over the preparations for the Fall Festival. The discussion continued with the vendors that are already lined up and the supplies still needed.

Teresa DeStefano noted the Duck Race this year is scheduled on the same day due to the Holiday. The commission feels due to the fact that we have deposits out and vendors scheduled we cannot change out date. Call and see if it is possible for them to reschedule.

Karen Mulligan suggested combining the two events.

Christy Zippi noted that she has been to the Duck Race and they charge for their moon bounce and food. It could be a conflict of interest.

The discussion continued with a way to make the two events work together or if we could change out event to another day. Teresa will call the vendors and see if they can move to a Sunday.

Lauren Durham noted that the next meeting is October 6, 2011

Meeting Adjourned 6:40 pm

Respectfully Submitted,

Teresa DeStefano
