2. **Brainstorm on one new event:**

Lauren Durham and Christy Zippi noted that this summer will be too late for planning anything at this time. We should focus on our January meeting, after the Train Ride with Santa for planning some outdoor activities for early spring or summer next year.

3. **Fall Festival:**

Lauren Durham asked for suggestion on where to get our pumpkins for this year, also if we want to start looking into some other entertainment for the children.

Christy Zippi noted she will call around and check on some prices.

Christy Zippi inquired about purchasing a popcorn maker instead of renting one.

Karen Mulligan suggested having the kids dress up and parade around the park, like having a Halloween parade.

Christy Zippi noted that she went to one where the Township gave out goodie bags to the kids.

4. **Bulletin Board:**

The Bulletin Board needs updating, Brody Bovero suggested that if no one from the Park & Recreation commission wants to head this up he will have the Township handle it.

Christy Zippi noted that she would like to be the Liaison where the Township can handle the information but can check with the Park & Recreation commission Liaison before they put anything in there.

Lauren Durham noted that there will not be a July meeting this year.
