November 4, 2010

Present Members: Lauren Durham, Brooks Durham, Steve Zippi, and Rita Miller.
Township Secretary, Teresa DeStefano

1. **Approval of Minutes:**

Brooks Durham made a motion to approve the June minutes as amended and Steve Zippi seconded the motion. All were in favor. Motion carried.

2. **Review of the Fall Festival**

Lauren Durham inquired about the Fall Festival and wanted to say what a good job everyone did.

3. **Train Ride with Santa**

Lauren Durham inquired if the train is reserved. Lauren also inquired about the suggestion of the tree lighting from the last meeting. After a discussion it was suggested that we keep the Train ride with the same as last year and plan the lightening for next year.

The Cheyney choir will be available to sing while waiting for the train and then when the children are getting off the train at the Glen Mills station.

Brooks Durham also noted that this year we need some lights at the Glen Mills station as the people are getting off the train.

Lauren Durham noted that we will be having cookies, hot chocolate and candy.

Rita Miller noted that she contacted the magician to entertain the children on the Train. He is available for the night and would be \$350.00 for 2 hours.

Mike Gast noted that the Park and Recreation is doing a great job.

Meeting Adjourned 6:05 PM

Respectfully Submitted,

Teresa DeStefano
