1. Approval of Minutes

The minutes of January 9, 2019, were approved as distributed.

2. CCHPN National Register List

The Chester County Historic Preservation Network is developing a list of county National Register sites open to the public. This spring the commission will photograph our one site, Squire Cheyney Farm Park, for inclusion in this list.

3. CCHPN Spring Workshop

Michele Thackrah gave a presentation on the commission's successful effort, with the Supervisors' strong support, in saving the historic buildings on the former Rokeby Farm property.

4. 1357 Westtown-Thornton Road

Barbara Zippi-Ochs invited the HPC to visit her house this spring when a mutually convenient time can be found.

5. Commission Goals for 2019

The commission discussed how owners of historic properties could participate in the commission's mission by writing about what they know and enjoy about their properties. Emphasis should be on documentary evidence. Adam Travetti's article in the recent *Gander* is the commission's model.

Richard J. Webster
