

RESOLUTION NO. 2020-09

RESOLUTION OF THE BOARD OF SUPERVISORS OF THORNBURY TOWNSHIP TO ESTABLISH A FEE SCHEDULE

THEREFORE, BE IT RESOLVED that the Thornbury Township schedule for permit fees shall be established as follows:

General Terms and Policies

- All applications must be submitted with two sets of plans, drawings, and/or sketches of the alteration or addition showing structural, framing and piping detail sufficient to understand the project. The plans shall be sealed by an engineer. Site plans should include set back dimensions.
- The property owner must sign the application or contractor must submit Owner Authorization Form.
- Each permit application shall be accompanied by a signed contract.
- All contractors must provide the PA Contractors license, Mandatory Workers' Compensation Insurance, as well as current liability insurance when application is made.
- The mandatory state surcharge of \$4.50 shall be added to the cost of each construction permit fee.
- **All building applications shall be subject to a zoning permit review.**
- A fine equal to twice the required permit fee shall be assessed if construction begins prior to a permit being issued. In addition to the fine, the property owner, applicant, or applicant's representative shall bear any cost to remove, disassemble, or otherwise alter and/or reconstruct the improvement so as to provide for the required inspections of the same; and may be required to test any material as required by the Township. The fine must be paid prior to the issuance of any permit.
- Any field inspection that requires more than 2 site visits by the Township Building Inspector due to incomplete work (including footings foundation, framing, plumbing and final inspections) will incur an additional fee of \$75 per site visit.
- The applicant, owner, or agent shall reimburse all fees paid to the Township professional consultants such as Township Engineer or Solicitor for all reviews and field inspections if required.
- All inspections require a minimum of 48 hours' notice.
- All previously established fees, permits, and policies prior to this Fee Resolution, not specifically changed or repealed, remain in effect.
- The Board of Supervisors by written request shall have the right to waive or reduce any applicable fee.
- **Stormwater Management Ordinance Requirements:** At a minimum, Regulated Activities that involve 500 or more square feet, but less than 2,000 square feet of Proposed Impervious Surfaces and/or less than 10,000 square feet of proposed Earth Disturbance require Stormwater Management. Details of the management requirements can be found in Thornbury Township Code Chapter 116.

RESOLUTION NO. 2020-09

Building Permits

Residential

- New Construction Plan Review Fee \$100.00
- New Construction \$215.00 minimum fee or one percent (1%) of the total value of the cost of construction whichever is greater

RESOLUTION NO. 2020-09

Erosion and Sedimentation Control (Grading/Stormwater Management)

Simplified Approach to Stormwater Management for Small projects:

- Regulated Activities that involve 500 or more square feet, but less than 2,000 square feet of Proposed Impervious Surfaces and/or less than 10,000 square feet of proposed Earth Disturbance
- Two sets of plans to be submitted to the Township with the application fee of \$125.00 plus an executed escrow agreement established in the amount of \$900.00
- The escrow shall be used to reimburse the Township for Township Engineering and other required Consultant fees. Charges shall be made on a per hour basis with the balance of the escrow fund being returned to the applicant upon site completion. The escrow must be replenished if the balance drops below \$100.00 (one hundred dollars). All reviews shall cease and/or the job will be issued a stop work order until such time that the additional escrow deposit has been made. The deposit shall be equal to the original escrow amount.
- Details of the requirements can be found in Ordinance Chapter 116 Appendix A

Projects greater than 2,000 square feet of proposed Impervious surface and/or greater than 10,000 square feet of Earth Disturbance

- Requirements, standards and submission details may be found in Chapter 116 Stormwater Management
- Two sets of plans shall be submitted to the Township with an application fee of \$125.00 and an executed escrow agreement established in the amount of \$1,800.00.
- The escrow shall be used to reimburse the Township for Township Engineering and other required Consultant fees. Charges shall be made on a per hour basis with the balance of the escrow fund being returned to the applicant upon site completion. The escrow must be replenished if the balance drops below \$300.00 (three hundred dollars). All reviews shall cease and/or the job will be issued a stop work order until such time that the additional escrow deposit has been made. The deposit shall be equal to the original escrow amount.
