**PRP Report and Strategy Plan for Thornbury Township  
MS4 Individual Permit Application 2024**

**Public Meeting and Comments from XXXX XX, 2024**

A special public meeting was advertised to be on XXXX XX, 2024 at X:XXpm as follows:

The Thornbury Township Board of Supervisors will hold a special meeting on XXXday, XXXX XX, 2024 at X:XX PM in the Municipal Meeting Room at 800 E. Street Road, West Chester, PA 19382. The purpose of the special meeting will be to receive verbal comments from the public concerning the draft Pollutant Reduction Plan (PRP). The PRP is required by the National Pollutant Discharge Elimination System (NPDES) Individual Permit for Stormwater Discharges from Small Municipal Separate Storm Sewer Systems (MS4). The PRP estimates the pollutant loads generated by existing land cover within the Township and provides a 5-year plan to reduce these loads as the permit requires. The PRP includes detailed maps of the planning area, existing pollutant load calculations, proposed Best Management Practices (BMP) to achieve the required load reductions, cost estimates and long-term operation and maintenance procedures. The Township will accept public comment on the draft PRP prior to submittal to the Department of Environmental Protection (DEP) by the XXXX XX, 2024 deadline. The draft PRP will be available for review as of XXXX XX, 2024 at the Township Administration Building, 800 E. Street Road, West Chester, PA 19382, and at <https://www.thornburytwp.com>. The written comment period will remain open for 30 days, until XXXX XX, 2024. All timely comments received during the public comment period will be considered by the Township. A copy of all comments received and a record of consideration will be included with the final PRP submitted to DEP. Judy Lizza, Township Manager.
